

Public Meeting Notification
Pursuant to Section 4.1.215 of the Bend Development Code

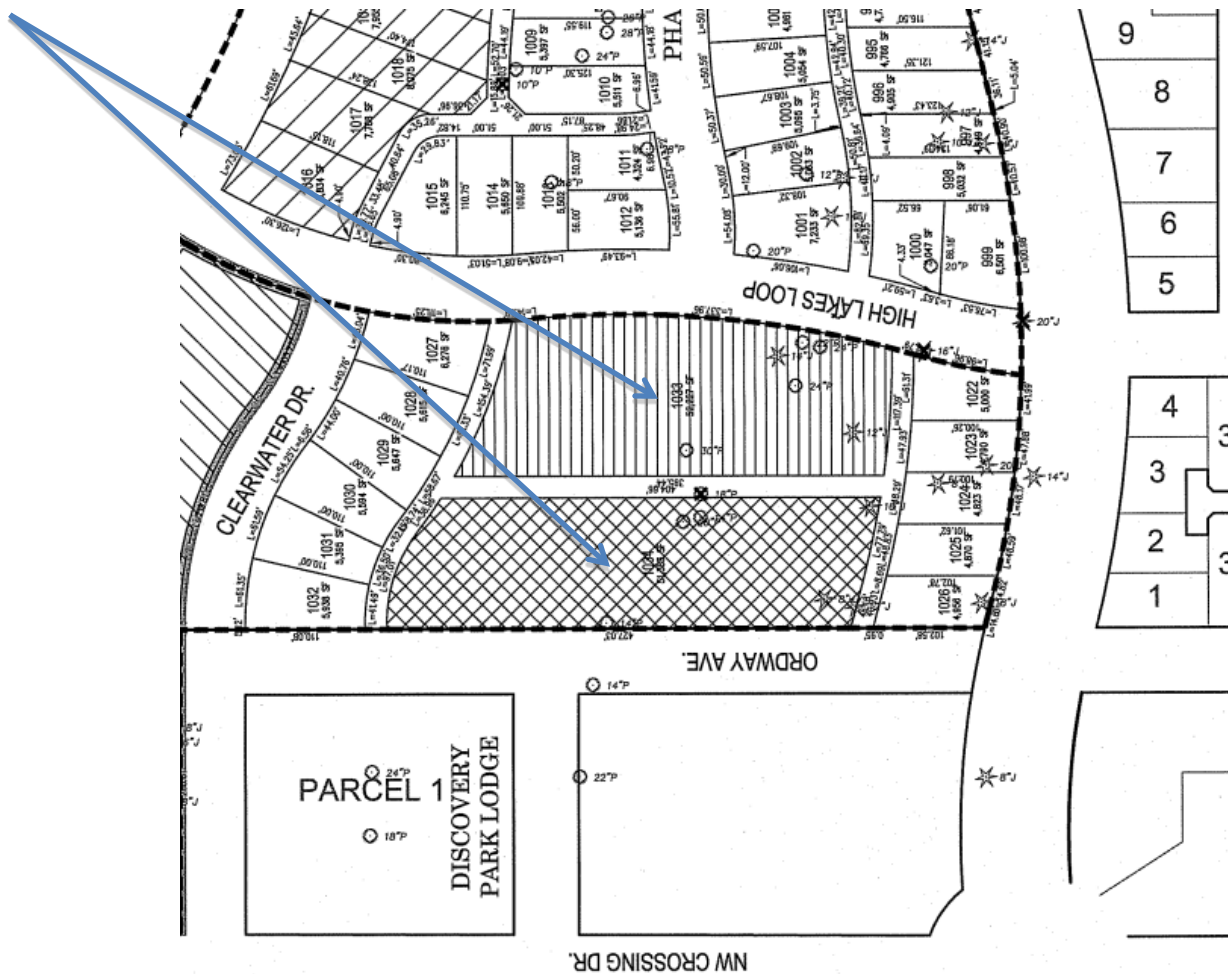

Date: May 17, 2016
Time: Open House Drop In Hours 5:30 - 6:30
Location: Discovery Park Lodge
2868 NW Crossing Drive, Bend

Owner: West Bend Property Company

Proposal:

The proposal involves a refinement to Phase 27 of the approved NorthWest Crossing Phases 24-28 Subdivision, in the Discovery Park Quadrant of NorthWest Crossing. The approved but still unplatted lots 1033 and 1034 of Phase 27 were originally planned to each be over 1 acre in size, with the expectation that each of the lots would be developed via a Site Plan or further divided. The owner has determined that further division is preferable and is planning on refining the subdivision accordingly.

The area of the planned refinement is situated between High Lakes Loop (planned) and Ordway Avenue (existing), and Clearwater Drive (existing) and Mt. Washington Drive (existing).

Detailed maps depicting the specific proposal described herein will be available for review at the public meeting.
